

Manufacturers Represented by EI²

www.ei2texas.com

Advanced Environmental Water Technologies

Custom Designed and User Specified Water Systems, Pre-Engineered Brackish, Seawater, Wastewater Membrane Softening, Nano filtration, Micro filtration & Ultrafiltration Packages

Aerzen

Positive Displacement Blowers

Amiad Filtration Systems

Steel and automatic self cleaning filters

Aquarius Technologies, Inc.

Fine and Course Bubble Aerators

Ashbrook Simon-Hartley Corporation

Gravity Belt Thickeners and Belt Filter Presses, IMAS Tech, Centrifuges

Bord na Mona Environmental

Membrane Bioreactor, Odor Control

Diamond Fiberglass

FRP Vessels and Ductwork

ECS House Industries

Floating Electric Brush Aerators

E.F.I./Thermafab

Floating Baffles

Enduro Systems, Inc.

FRP Baffles and Covers

EnPro

Polymer Activation & Chemical Feed Systems

Entex

IFAS and MBBR Technologies

Environment One

Package Grinder Pump Station

EnviroMix

Tank Mixing Systems for Wastewater Treatment & Potable Water Treatment

Fiberglass Fabricators

FRP Products

Fontaine Industries

Stainless Steel Valves and Gates

Force Flow/ Floquip

Chemical Monitoring Systems

Ford Hall

Automated Algae Sweeps for Clarifiers

Franklin Miller

Grinders & comminutors, septage receiving stations

GA Industries

Control Valves and Pump Checks, Butterfly Valves, Plug Valves

Hayward Gordon

Recessed Impeller Centrifugal Screw, & Chopper Pumps, Mixers & Static Mixers

Hi-Line Industries II, Inc

Sludge Conveying Equipment

Hilton Valve

High Pressure Knife Gate Valves

HMT

Aluminum Dome Roofs

H.S.I. Inc.

High Speed Turbo and Centrifugal Blowers

Huber Technology

Headworks and Screening Equipment

ITT/Flowtronex

Prefabricated Modular Pumping System

Jim Myers & Sons, Inc.

Flocculators, Sludge Handling Equipment, Plate Settlers, Low Profile Cascade Aerators

John Meunier, Inc.

Grit Removal Systems, Screens & Storm water Control Equipment

Liquid Dynamics

Mixing Equipment

M2 Renewables

Filtration Equipment

Moyno

Progressing Cavity Pumps

Pall Industrial

Process

Micro.Filtration Membranes

Plasti Fab, Inc.

Fiberglass Slide Gates, Flumes, and Buildings

Poly Processing

High Density Crosslinked Polyethylene Tanks

Proco Products, Inc.

Rubber Expansion Joints, Check Valves, Wall Penetration Seals

Pureline Treatment Systems

Chlorine Dioxide Generators

R.D.P. Technologies, Inc.

Lime Stabilization and Lime Slaking Equipment

Rodney Hunt Co.

Sluice & Slide Gates and Flap Valves

Rotork Controls, Ltd. (South Texas Only)

Electric Hydraulic, and Pneumatic Actuators

Siemens Industry, Inc.

Davco

Wastewater Treatment Systems, Traveling Bridge Filters, and Disc Filters

Davis Process

Odor Control, Alka.Pro Control

Envirex

Complete line of Municipal and Industrial Water & Wastewater Treatment Equipment

Envirex Air Diffused Products Fine and Coarse Bubble Diffusers

Jet Tech

Jet Aeration Equipment and Sequencing Batch Reactors

MBR Technology

Membrane Biological Reactors

R.J. Environmental

Chlorine Gas Scrubbers & Odor Control Units

Stranco

Polymer Blending, ORP Technology, and Gas Induction Mixers

Wallace & Tiernan

Chlorination & Chemical Feed Equipment

Zimpro

Mammoth Rotor Aerator, Screw Pumps and Inclined Plate Separators

SUNDYNE / ANSIMAG

Non.Metalic MAG.Drive centrifugal pumps

Swaby Lobeline

State of the Art Rotary Lobe Pumps for all Wastewater Sludge, Grease & Scum Applications

Texas Aquastore, Inc.

Glass Lined Tanks for Water & Wastewater

Tonka Equipment Co.

Water Treatment & Filtration

Ultra Tech Systems, Inc.

Ultraviolet Disinfection

VAG Valves

Plunger Valves

Watson Marlow

Sludge, Lime, Abrasive Slurry and Chemical Metering Pumps

Wawcon

Wastewater Treatment Plant Equipment

WILO/EMU

Submersible Pumps and Mixers

WSG & Solutions

Mechanical Bar Screens and Grit Removal Equipment

**Your avenue to water
and wastewater solutions**
